Attendance Winners!!

*Well done to our 100% attendance
winners!*

Dear parents and carers,
Welcome back and Happy New Year to all. I hope you enjoyed the festive period and found time to relax! Back in school, the children have been eager to tell us about their Christmas holidays and have settled back in to the school routine, working hard from first thing Monday morning.
As you know through communications before the holiday we are changing our approach to reading as a school. We feel it is very important that children read for pleasure and do not see reading as a forced task and in some cases a punishment. Your support in helping make this a success is crucial; as you know, reading at home plays a major role in a child's development. We are asking you to still share books with your children (as before) and continue to record this in their reading diaries. However, whilst we ask that children are still reading their school book, we would also like to know what else they have been reading: magazines, newspapers, instructions, a menu etc... More information will follow about this, next week.

As always, if you have any questions, please do not hesitate to ask.

Regards
Mr Parkinson
